MEMORANDUM

March 18, 2011

TO: APFO Advisory Committee members

FROM: Deane Mellander, Zoning Administrator

SUBJECT: Committee Update

Here is the packet for the March 24 meeting. I have included the draft minutes from the March 17 meeting along with the approved minutes for March 3 and 10. So far, I have gotten confirmation from Principal Boddy from Beall Elementary School, Jennifer Young from the Ritchie Park PTA, and Cheryl Pierce, the RMHS Cluster PTA cluster coordinator has asked to join us as well. As Julie noted in her e-mail, we may not have a complete invitee list until early next week. I'm also attaching the action items chart for those who didn't catch up to it earlier this week. I will not be here next week. Jim will likely attend and take the notes.

Please let me know if you have any questions prior to the meeting.
